How's Jennifer?

Impossible.

Nothing much changed there?

Nope.

Time for some therapy?

Just spat out of that loop.

Any conclusion?

Trying open marriage now.

And?

Can you say even greater pain in the ass?

Jen agree?

She enjoys it. Her last committed suicide.

Then you should have one more meeting for ritual sake. Face each other, then turn on your heels and each walk away.

StoppIng?

Never!

We'll prove the world round!

With any luck.
